International Relocation

[/vc_column_inner][vc_row_inner][vc_column_text 0=""]

For an employee, international relocation is more than just moving. Relocated employees need to feel secure and comfortable while giving up their home country for a while.

We understand the challenges of transitioning to a new country. Since 1996 we have been helping international professionals and their families move into or out of Greenville. Wetzel Services assists with and manages a wide variety of relocation logistics.

Whether we're...

- Making the first phone call to organize your employee's hotel arrangements
- Attending various appointments to translate (the bank, DMV, Social Security, etc.)
- Helping your employee feel more comfortable

...our Relocation Department, composed of staff who speak English, German and Spanish, is flexible and able to serve as much or as little as needed.

[vc_column_text text_align="center" color="#ffffff" font_size="18"]Relocating to Greenville, SC means moving to a city that has extended its traditional southern charm to more than 245 international companies. BMW, Michelin, ZF Transmission, Draexlmaier, Bosch, Bosch Rexroth, and Amazon are just a few of the many international companies that relocate employees to the Greenville area.

Located about halfway between Atlanta, GA, and Charlotte, NC, and nestled into the foothills of the Blue Ridge Mountains, the city offers mild temperatures, an award-winning downtown, and plenty to do all over the area. Greenville is considered the cultural and entertainment center for the Upstate. Its revitalized downtown was recently ranked among "America's Ten Best" by Forbes Magazine.[/vc_column_text][vc_column][vc_row][vc_row css_animation="fadeInDown" css=".vc_custom_1494267123129{margin-top: 20px !important;}"]
